Dear Sir:

The references listed in the attached PTO Form 1449, copies of non-US Patents and Patent Application Publications attached, may be material to examination of the above-identified patent application. Applicants identify and submit these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make these citations of official record in this application.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.
